Ms. Watson,

On behalf of my farm business, I will commit to approximately ____ acres in tile drainage and/or land clearing with a licensed contractor through the RAIN Infrastructure Consortium for **Manitoulin** in 2015-16. By signing I confirm that my farm business will make a cash contribution of at least 10 per cent of the contractor costs (material & labour) specific to my individual acreage. In addition, my farm business will make a cash contribution of a \$10 per acre administration fee specific to my individual acreage, which will be required in order to process NOHFC funding (50 per cent of tile drainage/land clearing contractor costs to a maximum of \$500 per acre). Through this consortium, I understand that NOHFC will not fund the same parcel of land twice.

Check all that apply:

- I have attached a map of my farm that identifies the property for tile installation.
- I am unable to provide a map at this time and will require further assistance with mapping my property.
- I am interested in clearing approximately ____ acres of land. I agree to contact at least 3 contractors for quotation.

Sincerely,
